## Community Benefit Highlights\*\*

### Healthy Aging

The exploration of adding Qualified Service Providers (QSP) and designating space allocation is underway, with a contract anticipated to launch QSP services in the community by June 1, 2025.

### Behavioral Health

Increased awareness of the dangers of drug use and abuse within the community through social media platforms to educate the public on issues concerning excessive alcohol use and abuse, aiming to promote healthier choices and reduce substance-related harm.

### Behavioral Health

Implemented screening for depression and anxiety, with patients referred to appropriate treatment and resources. Planning to launch Senior Life Solutions, a mental health support program for older adults, next year.
