Health-Related Social Needs

## Community Benefit Highlights\*\*

### Healthy Aging

Implemented a Fall Prevention Program, reaching 25 individuals through balance and strengthening exercises, thereby reducing the risk of falls and promoting greater independence and safety among participants.

### Active Living

A six-week Wellness Program reached 50 community members in its first year, fostering healthier lifestyles and promoting overall well-being.

### Active Living

The annual health fair event engaged thirty community members, providing access to health information, and resources to promote proactive health management and well-being.
