- Behavioral Health
- Health Related Social Needs

Community Benefit Highlights**

Access to Care

Hosted monthly support groups to address the needs of 41 bariatric, cancer, and stroke patients, providing a vital forum for shared experiences, emotional support, and improved coping mechanisms.

Health Education

Provided well-baby clinics, offering education about infant health and height and weight checks for 266 community members.

Awarded a \$50,000 Community Health Improvement Grant to Ministry on the Margins to help individuals experiencing chronic homelessness, those coming out of incarceration and young individuals recently exiting the detention center.
