Community Health Needs Assessment Priorities

- Affordable Housing
- Behavioral Health
- Childcare
- Healthy Aging
- Access to Care

Community Benefit Highlights**

Access to Care

A clinic-based Community Health Worker (CHW) received referrals for patients with health-related social needs. The CHW received 672 patient referrals and helped patients navigate the health care system, coordinated referrals, provided resources and promoted health through basic education.

Affordable Housing

Continued to work with the Southwest Area Homeless Coalition and the United Way on a plan to increase supportive services and housing for individuals struggling with substance use disorder.
