Community Benefit Highlights**

Healthy Aging

The hospital collaborated with Heartview and Meals on Wheels, hosting a fall prevention event for over 100 members sharing resource connections within the community.

Mental Health

Focus was placed on assessing all clinic and hospital patients for depression and anxiety, offering treatment to those diagnosed and provided referrals to Mental Health treatment, a key measure was reaching 100% patient screening.

Substance Misuse

Efforts were made to address excessive alcohol use and abuse via public education on the hospital's website and other social media outlets. Additionally, all clinic and hospital patients are screened for alcohol and drug use as well as general mental health and substance usage/abuse.
