Community Benefit Highlights**

Healthy Aging

The hospital's actions involved coordinating with Health at Home/Hospice and conducting community exercise sessions. The assistant Care Manager is currently compiling a comprehensive list of hospital services available to the community. Exercise sessions were successfully held twice a week for two months, engaging 25 participants.

Active Living

Partnered with community organizations for an annual health fair with screenings. The hospital had a yearly wellness challenge focused on education, and an adult fitness program transitioning to a public wellness center offering yoga. The health fair drew 60 attendees, and 15 participated in the wellness challenge.
