Community Benefit Highlights**

Workforce

The hospital participated in a high school career fair that hosted 500 students.

Affordable Housing

A Community Health Improvement Grant of \$32,500 was awarded to Out in Faith, a local nonprofit to support local housing. In addition to the Community Health Improvement Grant, a \$69,500 grant was secured to form a coalition and create a community plan to increase homeless services.

Access to Care

A clinic-based Community Health Worker (CHW) received referrals for patients with health-related social needs (HRSN). The CHW helped patients navigate the health system, coordinated resources and referrals and promoted health through patient education. The CHW received 271 patient referrals.
