

# CHI St. Alexis Health Bismarck

## Community Benefit Report FY2022

We will continue to serve our patients from a much broader perspective as we launch our strategic plan, rebuild and grow services, and enhance our physician, provider and employee recruiting efforts. We are rebuilding St. Alexis and appreciate the privilege of serving the community. Our new Strategic Plan launched this fiscal year with a focused effort on developing Cardiology, Orthopedics, Medical/Oncology and Women's services.
