

Adolescent Relationship Abuse: Universal Education & The Safety Card

A ND Violence Prevention Program Community Outreach Workshop

Imagine better health.™

***Professionals will walk away with the skills
and tools needed to make a difficult
conversation easier.***

Participants will increase awareness and knowledge of:

- Adolescent Relationship Abuse (ARA)
- Local Statistics
- Impact of ARA on Health
- Promoting Healthy Relationships
- Universal Education
- The Safety Card Intervention
- Referral Strategies
- Local & National Resources

**Community Outreach Content
Created in Partnership with:**

This free workshop is made possible by the CHI ND Violence Prevention Program. Our program seeks to create communities free from intimate partner violence by building community and organizational capacity and by promoting healthy relationships. Learn more about the program at chistalexiushealth.org/about-us/nd-violence-prevention-program.
