

# *Connected Parents Connected Kids: Universal Education & The Safety Card*

*A ND Violence Prevention Program Community Outreach Workshop*

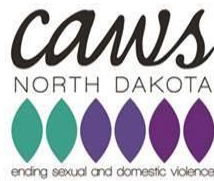

*Imagine better health.™*

***Professionals will walk away with the skills  
and tools needed to make a difficult  
conversation easier.***

Participants will increase awareness and knowledge of:

- Adverse Childhood Experiences (ACE's)
- The Connection Between ACE's and Intimate Partner Violence
- The Impact of ACE's on Health
- Strategies for Promoting Healthy Parent/Child Relationships
- Universal Education
- The Safety Card Intervention

**Community Outreach Content  
Created in Partnership with:**

*This free workshop is made possible by the CHI ND Violence Prevention Program. Our program seeks to create communities free from intimate partner violence by building community and organizational capacity and by promoting healthy relationships. Learn more about the program at [chistalexiushealth.org/about-us/nd-violence-prevention-program](http://chistalexiushealth.org/about-us/nd-violence-prevention-program).*
