We may revise and update these Terms from time to time without prior notice to you and will post the updated Terms to the Sites. ANY CHANGES TO THESE TERMS WILL APPLY IMMEDIATELY UPON POSTING TO THE SITES. If you have not received a response to your inquiry within three (3) business days, please contact the health care provider directly. Messages you send or receive through the Site may be made part of your medical record, or the medical record of the individual on whose behalf you are acting.

The ability to access the medical information of another individual through a Site is called Proxy Access.
