

CELEBRATING 100 YEARS

1985 Ribbon Cutting

In 1985, hundreds of people came to take part in the opening of a new ED, new OB and nursery, a renovated pediatric area amongst other new or renovated departments.

In 2014, CHI St. Alexis Health opened the first and only pediatric clinic in Williston. The Pediatric clinic is staffed by Williston's only board-certified Pediatrician, Menelik Mulu, MD and only board-certified pediatric NP, Joseph Stonehocker.

Joe Stonehocker and Team

At CHI St. Alexis Health, we aren't just treating patients – we are caring for our family, friends and neighbors. We were created in uncertain times to provide health care throughout the decades.

Today, our legacy continues by offering Williston's first cancer center, pediatric clinic, neurology clinic and so much more.
