

CELEBRATING 100 YEARS

Cardiac Capers Production

Heart health has always been a priority in our community. In 1979, the Hospital Auxiliary sponsored the first cardiac capers to raise needed funds for the cardiac care unit.

Today, CHI St. Alexius Health continues our commitment to enhancing cardiac services. In fact, in 2016, CHI St. Alexius Health welcomed Dr. Deeprasertkul, board certified Cardiologist right here in Williston.

Peerawut Deeprasertkul, MD

At CHI St. Alexius Health, we aren't just treating patients – we are caring for our family, friends and neighbors. We were created in uncertain times to provide health care throughout the decades.

Today, our legacy continues by offering Williston's first cancer center, pediatric clinic, neurology clinic and so much more.
