Over the past 100 years, surgery has become a safe and reliable tool. In 2019, our general surgery team comprised of Antos Li, MD, Wayne Anderson, MD and Ashley Lemere, MD performed nearly 1400 surgeries. In addition, the clinics saw over 52,447 clinic visits!

At CHI St. Alexius Health, we aren't just treating patients – we are caring for our family, friends and neighbors. We were created in uncertain times to provide health care throughout the decades.

Today, our legacy continues by offering Williston's first cancer center, pediatric clinic, neurology clinic and so much more. Learn more about your community hospital at **[CHIStAlexiusHealth.org/centennial](https://CHIStAlexiusHealth.org/centennial)**.
