

CHI St. Alexis Health Williston

Community Benefit Report FY2022

We're most proud of the resilience and dedication of our health care team in making a difference in the lives of the patients, staff and community we serve. We want our organization to exceed the expectations of our patients and community. Each year brings hope and the possibility of change and growth. Our mission calls us to improve the health of the people we serve. We do that with compassion, inclusion, integrity and excellence.

Lorrie Antos, Interim President

\$3,735,765 Total Community Benefit
Division Total Community Benefit **\$265.3M**

1,490 Patients supported

to Care

Childcare

Community Benefit Snapshot**

Community Support

Trained **new staff members** to provide violence prevention presentations and healthy relationship workshops to our community, in partnership with the CAWS North Dakota domestic and sexual violence prevention coalition.

Violence Prevention

Provided **Within My Reach** healthy relationship training to Williston High School and Middle School students in cooperation with our local domestic violence coalition.

Childcare

Supported the opening of a **new daycare facility** on the Williston Medical Center campus to expand access to childcare in the Williston community.
